

Format of AR Report and Presentation

Make 20 copies of your report. You will have 15-20 minutes to report, followed by 5-10 minutes for Q & A. Second-year MA students need to include theoretical background and will have 30 minutes.

You can see samples of mid-term report at:

< For the first-year/non-degree students >

You need to hand in the following three things.

A: Report

1. Title
2. Context (level, class size, time, textbook, problems)
3. Goals
4. What I did (list several activities you tried out)
5. Results (summarize main findings, including the whole survey data)
6. What I learned
7. Future issues

B: Sample lesson plan

C: Sample handouts

<For the second-year students >
