

# Let's Summarize Section 3

Class ( ) No ( ) Name ( )

# Handout 4

☆ Let's summarize section 3 with the textbook closed. You can't read the textbook but you can use your dictionary. Use the words below and write as many sentences as possible.

The most difficult thing about their work at Madhu was to make decisions.→

I clearly remember the day when

local situation / lead O + to do / wrong decisions / medicine / medical equipment / limited / choose / beyond help / pale / breathe / oxygen mask / improve / tank of oxygen / save one's life / turn off /

Question : What do you think about her decision? What would you have done if you had been in her position? Why?
