

CALL for Individual Work

1. Students: 3rd year, SHS
2. Subjects: English II
3. Textbooks: English II --- Unicorn English II (Bun-eido)
4. Aims:
 - ① Ss can review the new words and targeted structure given in the lesson in different context..
 - ② Ss have habit of studying on their own pace.
5. Features of the web page:
 - ① Key expressions given in the different context from that of textbook.
 - ② Materials are given in four tasks; vocabulary matching, listening comprehension, reading comprehension and cloze tests.
 - ③ Ss can do the tasks by themselves with computer.
6. Process:
 - ① Introducing the tasks in the CAI room at school.
 - ② Reading practice on paper was given in the class after every section.
7. Problems
 - ① Ss do not have habit of studying outside the classroom.
 - ② Some Ss do not have PC at home.
 - ③ Computers of school are not in good condition
 - ④ Sound volume is not enough.
8. Prospective solution:
 - ① creating pages for mobile
 - ② regularly given parts of the tasks in the class
 - ③ improving the technical quality
