ARAKI

When Yohei Araki was born, he has visual handicap. He like classical music when he was a boy. When he was 15 years old, he knew a certain band. This cause, he began to play the electric-bass. And he learned theory of music and composition. He can't see the music-score, but he developed his great sence and instinct for music.

At first, he aimed staff of the Ministry of Foreign Affairs. But he thought "I can't throw away the music!" So he dropped out of college and learned Jazz and contrabass. One years later, he became a pro contrabassist. Now, he give a lot of good performances for people.
